OptimizeRx Recognized as One of The Americas' Fastest-Growing Companies by The Financial Times

April 8, 2020

ROCHESTER, Mich., April 08, 2020 (GLOBE NEWSWIRE) -- OptimizeRx Corp. (Nasdaq: OPRX), a leading provider of digital health solutions for life science companies and payers, has received the ranking of #282 by the [Financial Times'](#) 2020 list of The [Americas' 500 Fastest-Growing Companies](#).

The FT Americas list was compiled in coordination with the leading research firm [Statista](#), which ranked the top 500 companies in North and South America by their compounded annual revenue growth rate between 2015 and 2018. OptimizeRx's growth rate exceeded 43% during the period.

"We're honored to be recognized by the Financial Times, one of the world's most widely read and respected business publications," said William Febbo, CEO of OptimizeRx. "Our strong ranking reflects the tremendous efforts and dedication of our team which has driven this strong growth and market expansion. We are in the right place at the right time with technology solutions for physicians, patients and clients. We expect our integrated digital health platform to accelerate our business and grow our recurring revenue over the coming years.

"Our platform allows us to expand within our existing client base with a suite of solutions that are critical to not only a successful product launch but the support it needs over its life in the market. Given our digital health network now reaches more than 300,000 healthcare providers across the U.S., we expect our team to drive another year of record growth in 2020."
