

OptimizeRx to Participate at Bank of America Merrill Lynch Health Care Conference on May 13, 2020

May 7, 2020

ROCHESTER, Mich., May 07, 2020 (GLOBE NEWSWIRE) -- [OptimizeRx Corp.](#) (Nasdaq: OPRX), a leading provider of digital health solutions for life science companies, payers and providers, has been invited to participate in the Bank of America Merrill Lynch Health Care conference being held on May 12-14, 2020.

The event is the largest and most informative healthcare investment symposium in the industry, bringing together industry leaders, emerging fast-growth companies, innovative technology creators, and members of the investment community.

OptimizeRx CEO William Febbo is scheduled to present on May 13, 2020, at 3:00 p.m. Eastern time, as well as participate in virtual one-on-one meetings. He will discuss a number of topics, including the company's [record Q1 results](#), client base that includes world's Top 20 pharmaceutical companies, and how the company is supporting better health outcomes through its [digital health network](#) that now reaches reach 60% of the ambulatory market and patients nationwide.

He will also share insight on the company's latest [acquisition](#) of a powerful digital therapeutics SaaS platform, RMDY Health, used by pharma, payers, medtech companies and medical associations worldwide.

The live presentation will be available at investors.optimizerx.com/events-and-presentations.

The event is for institutional clients of BOA and is by invitation only. To schedule a one-on-one meeting with OptimizeRx, please contact your BOA sales representative. For any questions about OptimizeRx, contact Ron Both of CMA at (949) 432-7557 or submit your request [here](#).

About OptimizeRx®

OptimizeRx Corporation (NASDAQ: OPRX) is a digital health company that facilitates communication at point-of-care among all stakeholders in healthcare. Primarily focused on life science and payer clients, its suite of digital and mobile SaaS-based solutions enables affordability, patient adherence and care management. OptimizeRx's network reaches more than 60% of U.S. ambulatory providers, delivering therapeutic support on specialty medications and patient financial assistance directly within a provider's workflow through leading electronic health platforms. OptimizeRx's fully integrated platform supports the real-time exchange of information, improving provider knowledge and patient engagement, and ultimately leading to healthier outcomes.
