

OptimizeRx Sets Third Quarter 2020 Conference Call for Monday, November 9, 2020 at 4:30 p.m. ET

October 26, 2020

ROCHESTER, Mich., Oct. 26, 2020 (GLOBE NEWSWIRE) -- [OptimizeRx Corp.](#) (Nasdaq: OPRX), a leading provider of digital health solutions for life science companies, physicians and patients, will hold a conference call on Monday, November 9, 2020 at 4:30 p.m. Eastern time to discuss its results for the third quarter ended September 30, 2020. OptimizeRx management will host the call, followed by a question and answer period.

As [earlier reported](#), the company expects to report record revenue for the quarter of more than \$10.0 million, up over 100% from the same year-ago quarter, along with positive non-GAAP net income.

On the call, management will review how this growth has been driven organically by a combination of enterprise deals and tactical programs, as the company's life science customers increasingly see the value in transparent access to physicians and patients provided by the OptimizeRx Digital Health Platform.

The full financial results for the quarter will be issued in a press release prior to the call.

Important Cautions Regarding Forward Looking Statements

This press release contains forward-looking statements within the definition of Section 27A of the Securities Act of 1933, as amended, and such as in section 21E of the Securities Act of 1934, as amended. These forward-looking statements should not be used to make an investment decision. The words 'estimate,' 'possible' and 'seeking' and similar expressions identify forward-looking statements, which speak only as to the date the statement was made. The company undertakes no obligation to publicly update or revise any forward-looking statements, whether because of new information, future events, or otherwise. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted, or quantified. Future events and actual results could differ materially from those set forth in, contemplated by, or underlying the forward-looking statements. The risks and uncertainties to which forward-looking statements are subject include, but are not limited to, the effect of government regulation, competition and other material risks.
