

Financial Times Ranks OptimizeRx Amongst Americas' Fastest-Growing Companies for the Third Consecutive Year

April 5, 2022 at 11:00 AM EDT

OptimizeRx grew 2021 revenue by 42% year-over-year, spotlighting the rapid growth from the convergence of technology and healthcare

ROCHESTER, Mich., April 05, 2022 (GLOBE NEWSWIRE) -- [OptimizeRx Corp.](#) (the "Company") (Nasdaq: OPRX), a leading provider of point-of-care technology solutions helping patients start and stay on therapy, has been named to the Financial Times ("FT") list of [The Americas' Fastest Growing Companies 2022](#) for the third year in a row, ranking #238. This recognition is presented by the FT and Statista Inc., the world-leading statistics portal and industry ranking provider.

The FT Americas' Fastest Growing Companies ranks companies with the strongest compounded annual revenue growth between 2017 and 2020. OptimizeRx grew 53% during that period, with full-year 2021 revenue up 42% year-over-year. Out of the millions of active companies in North and South America, only the top 500 firms are named to the list.

"Being named to FT The Americas' Fastest Growing Companies ranking for the third consecutive year further validates the major investments we have made to set up the organization for scalable growth," said William Febbo, CEO of OptimizeRx. "As we continue to build momentum, we are focused on the growing power of our digital solutions offerings to support pharma's rising digital communications needs. Our technology also continues to champion patients' needs and treatment awareness as we help simplify and accelerate patient access to therapies, including specialty medications which often have critical therapeutic windows," concluded Mr. Febbo.

Important Cautions Regarding Forward Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipates", "believes", "estimates", "expects", "forecasts", "intends", "plans", "projects", "targets", "designed", "could", "may", "should", "will" or other similar words and expressions are intended to identify these forward-looking statements. All statements that reflect the Company's expectations, assumptions, projections, beliefs or opinions about the future, other than statements of historical fact, are forward-looking statements, including, without limitation, statements relating to the Company's growth, business plans and future performance. These forward-looking statements are based on the Company's current expectations and assumptions regarding the Company's business, the economy, and other future conditions. The Company disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether because of new information, future events, or otherwise, except as required by applicable law. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted, or quantified. Future events and actual results could differ materially from those set forth in, contemplated by, or underlying the forward-looking statements. The risks and uncertainties to which forward-looking statements are subject include, but are not limited to, the effect of government regulation, competition, and other risks summarized in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020, its subsequent Quarterly Reports on Form 10-Q, and its other filings with the Securities and Exchange Commission.
