Important Cautions Regarding Forward Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipates", "believes", "estimates", "expects", "forecasts", "intends", "plans", "projects", "targets", "designed", "could", "may", "should", "will" or other similar words and expressions are intended to identify these forward-looking statements. All statements that reflect the Company's expectations, assumptions, projections, beliefs or opinions about the future, other than statements of historical fact, are forward-looking statements, including, without limitation, statements relating to the Company's growth, business plans and future performance. These forward-looking statements are based on the Company's current expectations and assumptions regarding the Company's business, the economy, and other future conditions. The Company disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether because of new information, future events, or otherwise, except as required by applicable law. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted, or quantified. Future events and actual results could differ materially from those set forth in, contemplated by, or underlying the forward-looking statements. The risks and uncertainties to which forward-looking statements are subject include, but are not limited to, the effect of government regulation, competition, and other risks summarized in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021, its subsequent Quarterly Reports on Form 10-Q, and its other filings with the Securities and Exchange Commission.
