

OptimizeRx Authorizes \$15 Million Share Repurchase Program

March 14, 2023

ROCHESTER, Mich., March 14, 2023 (GLOBE NEWSWIRE) -- [OptimizeRx Corp.](#) (the "Company") (Nasdaq: OPRX), a leading provider of point-of-care technology solutions helping patients start and stay on therapy, announced today that its Board of Directors has unanimously authorized a share repurchase program, under which OptimizeRx may repurchase up to \$15 million of its outstanding common stock.

"We are fortunate to start 2023 with a strong working capital position and believe we are firmly placed to benefit from the scalability inherent in having the nation's largest in workflow point-of-care network; this share repurchase program reflects the long-term confidence we have in our business and our belief that our shares are undervalued," commented Will Febbo, OptimizeRx CEO.

About OptimizeRx

OptimizeRx provides best-in-class health technology that enables care-focused engagement between life sciences organizations, healthcare providers, and patients at critical junctures throughout the patient care journey. Connecting over 60% of U.S. healthcare providers and millions of their patients through an intelligent technology platform embedded within a proprietary digital point-of-care network, OptimizeRx helps patients start and stay on their medications.

Important Cautions Regarding Forward Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipates", "believes", "estimates", "expects", "forecasts", "intends", "plans", "projects", "targets", "designed", "could", "may", "should", "will" or other similar words and expressions are intended to identify these forward-looking statements. All statements that reflect the Company's expectations, assumptions, projections, beliefs, or opinions about the future, other than statements of historical fact, are forward-looking statements, including, without limitation, statements relating to the Company's growth, business plans, and future performance. These forward-looking statements are based on the Company's current expectations and assumptions regarding the Company's business, the economy, and other future conditions. The Company disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether because of new information, future events, or otherwise, except as required by applicable law. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. Future events and actual results could differ materially from those set forth in, contemplated by, or underlying the forward-looking statements. The risks and uncertainties to which forward-looking statements are subject include, but are not limited to, the effect of government regulation, competition, and other risks summarized in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2022, its subsequent Quarterly Reports on Form 10-Q, and its other filings with the Securities and Exchange Commission.
