About OptimizeRx

OptimizeRx is a leading healthcare technology company that's redefining how life science brands connect with patients and healthcare providers. Our platform combines innovative AI-driven tools like the Dynamic Audience Activation Platform (DAAP) and Micro-Neighborhood Targeting (MNT) to deliver timely, relevant, and hyper-local engagement. By bridging the gap between HCP and DTC strategies, we empower brands to create synchronized marketing solutions that drive faster treatment decisions and improved patient outcomes.

Our commitment to privacy-safe, patient-centric technology ensures that every interaction is designed to make a meaningful impact, delivering life-changing therapies to the right patients at the right time. Headquartered in Waltham, Massachusetts, OptimizeRx partners with some of the world's leading pharmaceutical and life sciences companies to transform the healthcare landscape and create a healthier future for all.

Important Cautions Regarding Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipates", "believes", "estimates", "expects", "forecasts", "intends", "plans", "projects", "targets", "designed", "could", "may", "should", "will" or other similar words and expressions are intended to identify these forward-looking statements. All statements in this press release that reflect the Company's expectations, assumptions, projections, beliefs or opinions about the future, other than statements of historical fact, are forward-looking statements. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. These forward-looking statements are based upon the Company's current expectations and involve assumptions regarding the Company's business, the economy, and other future conditions that may never materialize or may prove to be incorrect. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted, or quantified. Actual results and the timing of events could differ materially from those anticipated in such forward-looking statements as a result of various risks and uncertainties including, but not limited to, the effect of government regulation, seasonal trends, dependence on a concentrated group of customers, cybersecurity incidents that could disrupt operations, the ability to keep pace with growing and evolving technology, the ability to maintain contracts with electronic prescription platforms and electronic health records networks, competition, and other factors discussed in the Company's Annual Report on Form 10-K for the year ended December 31, 2023, and in other filings the Company has made and may make with the SEC in the future. One should not place undue reliance on these forward-looking statements, which speak only as of the date on which they were made. The Company undertakes no obligation to update such statements to reflect events that occur or circumstances that exist after the date on which they were made, except as may be required by law.

Important Additional Information And Where To Find It

OptimizeRx Corporation (the "Company") plans to file proxy materials with the U.S. Securities and Exchange Commission (the "SEC") in connection with the solicitation of proxies for the Company's 2025 annual meeting of stockholders (the "2025 Annual Meeting").
