Event: [Ladenburg Thalmann Technology Expo 2019](#)

Date: May 30, 2019

Location: 101 Park Avenue in NYC

Format: 1x1 meetings and presentation

Presentation time: 4:00 p.m. Eastern time

Registration: click [here](#)

These events are designed to give institutional analysts and investors the opportunity to meet with OptimizeRx management. They will be discussing a number of topics, including the company's record results for the fourth quarter of 2018, the acquisition of [CareSpeak Communications](#), and growth of the company's digital health platform. The network has become the largest of its kind, now reaching more than half of the ambulatory patient market in the U.S.

The company recently [reported](#) its seventh sequential quarter of revenue growth, driving 2018 revenue up 75% to a record \$21.2 million and the company's first year of profitability. The company plans to maintain a gross margin target of at least 55% in 2019, as new digital health messaging pharma clients and programs ramp up.

To schedule a one-on-one meeting with OptimizeRx, you may submit your request via the links provided upon your registration for the conferences. For any questions about the company, please contact Ron Both of CMA at (949) 432-7557 or submit your request [here](#).

About OptimizeRx

OptimizeRx® (NASDAQ: OPRX), a digital health company, connects pharmaceutical companies to patients and providers, offering greater affordability, adherence and brand awareness at the point-of-care. As the nation's largest point-of-prescribe promotional platform for the pharmaceutical industry, OptimizeRx provides a direct channel for pharma companies to communicate with healthcare providers right within their workflow and also directly to patients.

The cloud-based solution supports patient adherence to medications and better healthcare outcomes with real-time access to financial assistance, prior authorization, education and critical clinical information. OptimizeRx provides more than half of the ambulatory patient market with access to these benefits through leading EHR platforms like Allscripts, Amazing Charts and Quest, and directly via its mobile communications platform.
