Item 4. Purpose of Transaction.

The Reporting Persons acquired the securities described in Item 3 above for investment purposes. Consistent with such investment purposes, the Reporting Persons may engage in communications with, without limitation, management of the Company, one or more members of the board of directors of the Company (the “Board”), other shareholders of the Company and other relevant parties, and may make suggestions concerning the business, assets, capitalization, financial condition, operations, governance, management, prospects, strategy, strategic transactions, financing strategies and alternatives, and future plans of the Company, and such other matters as the Reporting Persons may deem relevant to their investment in the Company, which communications may include proposing or considering one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D under the Securities Exchange Act of 1934, as amended.
